

JOSH CARROM TOURNAMENT

The Rule of Carrom

Tournament Regulations – Rules of Play, Penalties & Match Conduct

The following rules govern all matches in the JOSH Carrom Tournament. Every player and team is expected to read, understand, and abide by them. Where a situation is not addressed below, the decision of the Umpire shall be final.

1. Match Format

Each match will be played in 4 rounds – Lasting 45 minutes. There might be changes for the semifinal and final match which will be conveyed by the committee.

2. Dues and / or Penalties

- If a player pockets his Striker alone in a proper stroke, his turn shall be lost, and his opponent will take one of his coins out as a penalty for placing. Such a penalty coin shall be called 'Due'.
- If a player pockets his Striker alone in a proper / improper stroke before any of his coins is pocketed, the penalty (Due) shall remain outstanding and shall be taken out as soon as it is available.
- If a player pockets the Striker with his coin, the number of the coin so pocketed with a Due coin, shall be taken out for placing and the player shall continue his turn.
- If a due / penalty is incurred but there are no pocketed pieces to return, then the due is owed till a piece becomes available. If such owed due coins are not placed before the next stroke is made (when space becomes available) and the opponent does not notice it then the due will be forfeited.

3. Foul

In case of any foul, the player will lose his turn and one of the player's coins will be taken out as a penalty by his opponent for placing.

a. Do not keep your hands on the carrom after your turn, it will be considered foul.

b. Striking:

- i. The Striker shall be struck and not pushed.

- ii. For each strike, the player must position the striker within the baseline OR on one of the two circles at either end of the baseline.
- iii. Striker within the baseline must touch both the front and rear lines.
- iv. The striker may not cut the moon.

4. Thumbing

Thumbing is allowed. It allows the player to shoot with any finger including the thumb (known as “thumbing”, “thumbs hot”, or “thumb hit”).

NOTE

Any further queries / rules will be resolved before or during the match by the committee.

5. Disqualification

- a. Proxy is not allowed if any of the Team members are not present.
- b. Any arguments with the opponent or Umpire during the match.
- c. Fails to report to the Umpire before 15 minutes of the match.

6. Umpire's Decision

If any unexpected condition (circumstances which are not mentioned in the rules) arises during the match, then the Umpire's decision would be considered final.

7. Deciding the Winner

- The team with the highest points will be considered as the winner, irrespective of the number of rounds won by the opponent.
- A Super Over will be played if the points of both teams are the same. The winner of the Super Over will be based on match winning.
- If a coin of each team is left with a queen on the board, first you have to go for the queen. You cannot hit your colour coin directly.

8. Points & Scoring Example

Match points are calculated from the coins remaining on the board and the capture of the Queen, using the values below.

POINTS

QUEEN

3 points

NORMAL COIN

1 point**Case 1 — Team A wins and captures the Queen**

Team A won the match · captured the Queen · 2 opponent coins left on the board

Queen × 1 3 pts	+	Coins × 2 2 pts 1 pt each	=	5 total points
--	---	---	---	--

CASE 1 — WINNER CAPTURES THE QUEEN

Match between Team A and Team B. Team A has won the match and has also taken the Queen, with 2 of the opponent's coins left on the board. Team A scores **3 points for the Queen** and **2 points for the 2 leftover coins** — a total of **5 points**.

Case 2 — Team B wins, but Team A holds the Queen

Team B won the match · 1 opponent coin on the board · Queen already captured by Team A

Queen 0 pts taken by Team A	+	Coins × 1 1 pt 1 pt each	=	1 total point
---	---	--	---	---

CASE 2 — QUEEN CAPTURED BY THE OPPONENT

Match between Team A and Team B. Team B has won the match, with only 1 coin of the opponent (Team A) left on the board. However, the Queen was already taken by Team A. The winning team (Team B) does **not** get the points for the Queen — they receive only **1 point for the leftover coin** of Team A on the board, for a total of **1 point**.

At the start of each round (after every break), both teams will begin with 0 points.
